School Life

On February 26 and 27, 1979 our Concert Choir, and Band, Swing Choir and Stage Band went on a first-ever tour which included memorable stops in Ellensburg, Issaquah and at the Capital in Olympia. The group put on superb concerts at the Capital and also in Issaquah. The trip was a great success and was funded by candle sales and by the school district.

GIRL'S LEAGUE OFFICERS

L to R, Parliamentarian: Jane Clift, Vice President: Sabrina Riggin, Treasurer: Paddy Gunderson, President: Brenda Anderson, Secretary: Connie Benson, Historian: Darci Wilson.

The Girls' League officers were kept very busy this year. During the Christmas month they sponsored a faculty luncheon which the teachers enjoyed very much! The Girls' League worked with the Boys' Federation to help a needy family for Christmas. They collected canned foods and money donations. February 23 was the date of the famed Sweetheart Dance, which they sponsored. April 17 was the Talent Show which we all enjoyed. To cap the year off was the Mother-Daughter Tea.

Good Luck to next year's officers, Paddy Gunderson, Connie Benson, Jill Misterek, Tracy Hoadley, Jill Postlewait and Edna Phinney!

The 1978 FIGHTING KNIGHTS were one of East Valley's better football teams. They were young and inexperienced and had to overcome the loss of a great senior class before them. They played tough in every game losing only two-by a touchdown each and winning seven. The 1978 team matured and met the challenge overcoming injury and inexperience with desire and spirit. The 1978 team carried on the FIGHTING KNIGHTS tradition of a good football team. We hope the 1979 team will meet this challenge.

This year must be considered a very positive achievement by everyone involved in the wrestling program. With few returning lettermen, mostly inexperienced upperclassmen, and sophomores filling vital weights in our program, the team began and ended on a note of positive drive, personal pride, and eagerness for the future. It was a year of team unity, team growth and a belief in the program by participant and spectator alike. With the young people that are involved I am sure of such continued growth.

"I move around, being a student, and would like to order smaller amounts of personalized checks..."

— Shannon Fish

We'd be happy to fill a small order for you. In fact, with an ONB Combined Account you can get as few as 50 checks at a time, with your name and address printed on each one. And that's just one way your ONB account keeps up with you while you're in school.

The best part about an ONB Combined Account is that you get two accounts in one. Your checking and savings are combined to give you two good ways to handle your money. At the same time, you only have one account number, one checkbook to carry and one monthly statement that shows both your savings and checking activity.

It's one of the most flexible accounts around. You can move your money back and forth between checking and savings whenever you want, and can bank by mail, by phone or from your car when classes and things tie you up. Just tell us how you'll be using your account, and we'll help you pick the checking plan that suits you best.

Whether you're a student on the move or one who just plans to stay put for awhile, an ONB Combined Account can work for you. And you'd be surprised how easy it is to open one.

Whatever your banking need, we'd sure like to meet you and talk about it. Come by anytime.

Help us build your bank.

Congratulations to the

Moab Junction

As our 1978-79 school year slowly draws to a close we are reminded that the SEASONS change very quickly and TIME that was once within our grasp passes swiftly on.

Joys that we all shared and loved and sorrows that came only too soon become only memories in our minds of a glittering past.

Therefore it is our sincere desire that your:

"1979 SHIELD"

will give you many, many happy pleasurable moments and as you recall the times of laughter and tears that you've shared with friends this and other past school years, you will think back and remember.

And when you're taking every journey, road, and path through life you will grasp and reach for memories that we've all had together; and with these pages those memories will bring a smile to your face, and tears of joy and happiness to your eyes but will always give and leave you with "A TIME TO REMINISCE."

GOOD LUCK ALWAYS
AS YOU FOLLOW YOUR PATH
THROUGH LIFE!!!
